

"What If You Could Use An Internet Millionaire's Products, Websites And 7 Figure Sales Systems To Create Your Own Online Income... ... And Have Him Take You Under His Wing To Make A Lot Of Money Together!"

From The Desk Of Dean Holland
England, UK.

Dear Friend,

This is a very real and time sensitive invitation...

But It's Not For Everyone

Since I'm going to be letting people use my products, websites, membership sites, and even sales team to make a lot of money with me...

(The same ones that's made me an online millionaire)

I can't accept everyone

Especially considering I'll be personally coaching them every step of the way

In fact, let be upfront about something...

There is an investment required... and if you're accepted...

I'll Guarantee You A 10X Return On It, Or You'll Pay Me Nothing!

...BUT – you'll need to be willing to put in at least 1 hour per day to follow my direction and you must be committed to putting in the work

(Sorry – no magic push button BS to instant overnight success here!)

So, if you meet that criteria...

Here's The Deal

I've built a revolutionary business system that's very different to anything you've ever seen...

Big words I know, so look...

This is what I saw in my PayPal account this morning:

The screenshot shows the 'Recent activity' section of a PayPal account. It features a navigation bar with tabs for 'Open cases', 'Ready to send', 'Payments received', 'Payments sent', and 'Activity (including balance & fees)'. The 'Activity' tab is selected. Below the navigation bar is a table of transactions. A large grey rectangular redaction covers the names of the payers in the second column. The table lists transactions with their timestamps, descriptions, and amounts in USD.

Time	Description	Amount
10:45	Fee reversal from [Redacted] Completed	\$3.78 USD
10:45	Refund to Mars [Redacted] Completed	-\$97.00 USD
10:04	Payment from [Redacted] Completed	\$997.00 USD
09:00	Payment from [Redacted] Completed	\$997.00 USD
06:41	Payment from [Redacted] Completed	\$997.00 USD
05:33	Payment from [Redacted] Completed	\$9.96 USD
02:13	Payment from [Redacted] Completed	\$47.00 USD
02:01	Payment from [Redacted] Completed	\$21.95 USD
00:06	Payment from [Redacted] Completed	\$997.00 USD
00:03	Payment from [Redacted] Completed	\$997.00 USD

\$9.96 commissions... \$21.95 commissions... \$47 commissions...

And then there's those \$997 commissions... FIVE of them, before 11am!

Just imagine what life would be like seeing THOUSANDS a day hit your account like this!

Keep Reading I'll Show You How...

In its most simple form, making money online really comes down to driving traffic (people) to high converting offers... Do enough of that and you can become rich!

Problem is, most people get stuck at either traffic, OR making sales...

This is where we come in...

My "Ultimate Funnel" system turns traffic into sales (AKA CASH)

...WITHOUT any personal selling!

How's that possible you ask...?

I have a little known method of giving away books for FREE online (Books you do NOT write, print, buy, store or ship... Ever!)

...And then the system churns out \$1,000 ... \$2,000 and even \$3,000 commissions WITHOUT ever personally speaking to anyone!

It's a powerful 'next generation' system that very few people know about, and even less know how to do it!

Yet I'm Quietly Bringing In \$3,729 a Day With It...

And whilst I'm one of the very few that know how to do it, I'm not entirely alone...

There's a small group of us that have tapped into this method and are making unfathomable amounts of money from it...

People like:

Frank Kern...

Who's made over \$50,000,000 in sales online... And here he is, using the same method I'm speaking of... **Giving Away Books For Free For Massive Cash!**

It's clear, giving away books for free works like gangbusters!

But I'm NOT going to tell you to write a book... Oh no...

I've already done the hard work, so you don't have to!

After years of trial and error, I've dialed this in with pin-point precision down to a step by step system

A system YOU could soon be using all the way to the bank!

To be clear...

I'm NOT Gonna Show You How To Build This Mammoth System For Yourself!

No...

It takes a LOT of experience, a team of people and a LOT of money to run it...

North of \$28,000 a month to be exact.

Instead, I'm going to give you the opportunity to take **the easy way...**

I'm going to GIVE YOU what's already made me a millionaire AND show you how to use it for your own financial gain!

You're getting a fully built, fully managed business, ready to start putting commissions in your pocket!

I'm so confident in fact that **if you're accepted you into this exclusive program, I'll make you an offer you cannot refuse...**

If You Don't Make At LEAST \$20,000 Within The Next 12 Months – I'll Refund Your Entry Fee In Full

Read that again.

I can make such a bold promise because I'm literally going to be giving you everything you need to build a \$3,000 - \$10,000+ per month business over the next 12 months.

Plus, I do have an ace up my sleeve...

This isn't a test anymore!

It's not just working for me...

It's already working for others like you that have joined

Like James Bartram... (Who has one heck of a story!)

10 months ago James arrived at his day job like any other typical day...

Only this time he got the news that the company was going under and he lost his job (and income) with immediate effect!

Without money for paid ads he decided to learn how to send traffic for FREE into our business system...

Within weeks he had his first \$1,000 day, just 7 months later he's crossed \$20,000 and now he's full time online and does not need to go back to working for anyone

Commissions Earned: \$20,075.46

Then there's Flo Kay, a qualified accountant from the UK

As a mother of young children, she had a burning desire to be her own boss, and afford the freedom to be around more for her kids rather than stuck in a corporate office every day

She just celebrated crossing a new milestone as one of my Partners... (And enjoys the time now with her children!)

Commissions Earned: \$100,716.91

Then there's Bill Burniece

Since joining us he's already seeing tens of thousands in commissions hitting his account

\$34,830.16 to be precise

Commissions Earned: \$34,830.16

And Ben Martin...

Another Partner, Ben was born and raised in the UK but with a growing online business he packed his bags and set sail to the Caribbean.

There he met the woman of his dreams, and recently married... Living his dream life!

Commissions Earned: \$61,479.91

And another Partner, Simon Stanley...

He's in our "Six Figure Club" – Meaning he's already earned over \$100,000 in commissions as one of our Partners

He travels the globe, living some of the most breath-taking experiences life has to offer!

Commissions Earned: \$119,652.40

Another Six Figure Club Partner – Craig Crawford

By his own admission, using our revolutionary model is not his full focus...
Not even close.

Yet he's already earned multiple 6 figures

(Imagine if he DID fully focus on it!)

Commissions Earned: \$217,054.98

OK, just one more (I don't wanna bore you, **we have a LOT of these!**)

Meet Jorge Delgado...

Living in his homeland of Colombia, Jorge has just crossed the big \$60k in commissions

I just checked, he pulled in \$2,074.38 in just the past few weeks alone

He's now full steam ahead to the Six Figure Club!

Commissions Earned: \$62,891.04

I could go on and on about others but **how about I just tell you exactly how we're doing it**

Sound good? Keep reading...

Here's How Everyday People Are Creating Profitable Online Incomes Using My Revolutionary Business Model

There are just 4 steps you have to take to build a business and make money with this

Not 400.

Not 40.

Just FOUR.

Here they are...

Step #1 – Drive Traffic

You can do this either for free with as little as 15 minutes a day (more is even better) ... OR, you can pay for it and get it flowing faster

No idea how to drive traffic? No problem! Most people can't, until I show them my secrets...

I'll even show you a way to have your traffic done for you from a private resource I personally use to get 1,000's of targeted visitors a month

Step #2 – Capture Prospects

Now you're driving traffic, you'll have a simple 2 page process building you an email list of targeted prospects

Ever heard the quote "The money is in the list"? ... It's true, but only when you know HOW... Which we'll help you with.

Now you'll be poised and ready to start making money!

Step #3 – Follow-Up

With fresh leads joining your email list every day you'll have a daily automated follow-up system running 24/7 to make sure they get to know you, like you and trust you...

(**SPOILER ALERT:** What if I wrote the emails for you? Keep reading)

Step #4 – Send People To a Private "Free Book" Website

Inside your daily follow-up emails will be a link. This link will be unique to you, when people click that link, they'll be taken to a high converting, top secret website

Once there, they will be offered a book written by me, for FREE!

All they have to do is cover a small shipping and handling contribution... which people do all day every day because they REALLY want this book.

Every time someone claims a book, **you start earning money!**

And now the system REALLY gets to work for YOU...

**You Can Earn Commissions of
\$35.25 ... \$74.25 ... \$186.75 ... \$498.50 ...
\$998.50 ... \$2,000 And All The Way Up To \$3,000
Per Sale!**

Better yet, this all happens hands-free for you – **All you do is give away a free book!**

Now, you might be thinking...

"But Dean, I don't know how to drive traffic, capture people or follow up with them ...so how will this work for me?"

I'm glad you asked my friend...

I started my company, InternetProfits™ 10 years ago now...

We're one of the best on the planet at helping everyday people start and grow profitable online businesses from scratch

I have the training, coaching and support to take even the newest of newbies from zero to success.

And in my InternetProfits™ Accelerator program, 80% of the work has been done for you...

All you have to do is follow my directions to produce results for yourself with it

I literally take you by the hand and show you day by day, step by step...

I show you **WHAT to do**

WHY you need to do it

...and **HOW** it's done

(even if you're a total beginner!)

What does this mean for you?

Simple – In next 30 days or less you can be up and running, driving traffic, building an email list and although I can't legally guarantee it – MANY Partners see their first commissions in that time!

If You Can Watch A Video, Follow Simple Instructions And Have At Least 1 Hour A Day To Follow Along – You Can Do This!

This is the ULTIMATE solution to build your online business from scratch, using what's already collectively making millions for those using it

A system recognized by Russell Brunson and the ClickFunnels team for generating millions currently...

Year one, my system was recognized for making more than \$1,000,000

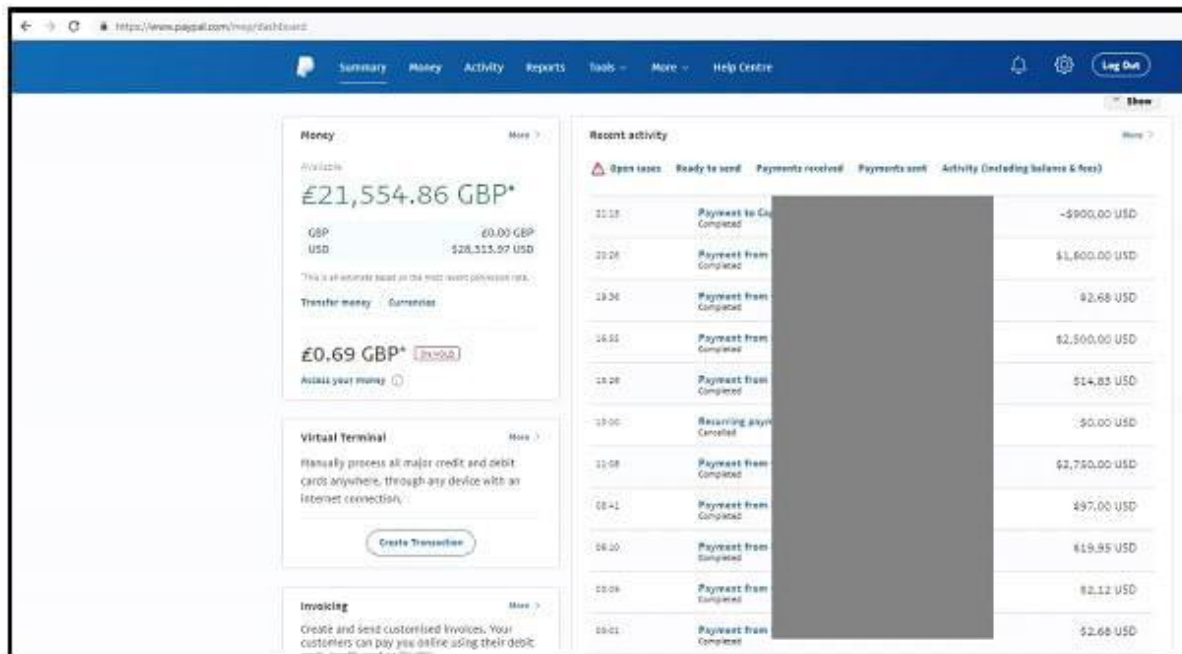

Then it happened AGAIN...

Let me remind you...

THIS IS THE EXACT SYSTEM YOU COULD BE USING!

Look what I did yesterday with this...

Between 3:01am and 9:15pm I had a total of 9 sales that the Ultimate Funnel made me...

The smallest commission I received was for \$2.12

The largest? A sweet \$2,750

In total I earned \$7,189.26

A great day, I'm sure you'd agree...

And whilst I may be an expert with a lot of experience, it's my system that does most of the work to make this money!

Even If You Only Got 10% Of The Results I Did, You'd Have Still Pocketed A Cool \$718 Yesterday

Do that daily and you've got over \$5,000 a WEEK landing in your pocket!

How would you feel knowing you had five grand a week showing up in your bank account?

It'd make life easier wouldn't it? Heck yeah!

You'd be free to live life on your own terms, do what you want to do when you want to do it

New car? **DONE**

New home? **DONE**

Breath-taking experiences? **DONE**

So...

You Can See Why I Happily Spend Over \$28,000 a Month To Run This System

And that brings me to the big question I'm sure is on your mind right now...

"What's it cost to join?"

Well, here's the great news... If you qualify for a place, you won't have to spend \$28,000 a month like I do

In fact, you won't even spend \$28,000 once!

Not even close...

It won't even be \$10,000

Or \$5,000...

If You Qualify...

If we open a place for you **it's as little as \$1,997** – And that's a one-time investment for life so we can make money together for many, MANY years!
